#### NORMAL BALL TEAM WILL PLAY TUCSON

Tempe Organization will Line Up  
Against High School Boys and  
University Nine.

The normal baseball team will leave this evening for Tucson, where it is scheduled to play two games of ball. The first one will be played tomorrow afternoon on the Tucson high school grounds with the team of that institution. The other game is to be played Saturday afternoon on the University of Arizona grounds with a team from that place. These two teams are the hardest that the local boys have run up against this year, according to the fans, but it is expected the normal team will return victorious, for it has not, so far, lost a game this year. It is claimed the Tucson high school has even a better one than the U. of A. So the normal team will be fresh for the hardest game.

Those who intend to accompany the team are Professor J. F. Hall

#### TOWN TEAM SUFFERS DEFEAT.

The newly organized town ball team started out with its first game rather poorly, going down to defeat at the high school Tuesday evening by the score of 22 to 6. This was the first time any of its members had ever played with each other and is probably the reason for a slaughter, but it is doubtful if it could ever win from the high team. Saylor and McVey acted as battery for the town team until they were fatigued chasing balls. Franklin and Heger then tried their luck, but it made little difference for the strong high team, which continually batted both pitchers all over the field. Part of the game two men were used at short on the town team, but it worked to little advantage as the fielders did most of the running after balls. Dines and Pins started the game for the high school but they were entirely too hard to hit, so to make it a little more interesting Bert Finch was put in the box with his younger brother behind the bat. This worked a little better, which accounts for the six runs made by their opponents.

#### THE REVIVAL MEETINGS.

A full house greeted Evangelist Harris last night at the Christian tabernacle and he held them to almost breathless silence as he spoke on the wonderful things of the universe. He alleges that the scheme of human redemption is the most wonderful of them all. His theme tonight is "Our Duty as Watchmen." All sinners of the town are requested to come and use their talents to sing souls into the kingdom of our Christ. Evangelist Harris will sing a solo tonight. All are invited. We close early every evening so that all may come out and attend the revival. N. B. McGhee, Minister.

#### TAX DELINQUENTS MUST PAY BILLS

Town Council Takes Steps to Secure Payment of All Past Due City Taxes.

The regular monthly meeting of the town council was held on Tuesday night, Mayor Palmer presiding. The first matter considered was a letter from the South Side Gas and Electric Co., stating that all the preliminary work of installing the new system of street lights had been completed, and that the fixtures were to be here shortly. This is a matter that has dragged along since last June, owing to the fact that the factory, it is claimed, has been too busy with advance orders to fill the small order from the Mesa company. Reports of police magistrate and town marshal were read and placed on file for approval. On motion of Councilman Brackett, the following resolution was adopted: "Whereas, the street supervisor has

engaged in the mercantile business and is unable to give proper attention to the streets of the town and the duties of his office; now, therefore,

"Be it resolved, That that portion of the certain resolution of Mesa City fixing the salary of the street supervisor at \$8.00 per month be repealed and that until further ordered the office of street supervisor be without salary."

A matter of importance to those who have not yet paid their town taxes is embodied in the following resolutions, which were adopted: "Resolved, That the town taxes for the year 1911 be, and the same hereby are, declared to become delinquent on the 15th day of March, 1912."

"Resolved, That a notice of such delinquency be published in the Evening Free Press for a period of ten days, commencing March 6, 1912."

The following bills were then read and allowed:

P. P. Drew & Sons, lumber...	\$26.64
Arthur A. Jones, Salary and cash advanced	1.42
H. S. Peterson, marshal and meals	106.35
A. Nicoll, sprinkling	100.00
Allison-Davis Hdw. Co. supplies	1.40
Water Dept. City of Phoenix	269.92
S. S. Gas & Electric Co.	152.31
V. E. Goldfarb, water supt.	119.00
Mesa Water department	33.83
G. W. Silverthorn, attorney	59.00

#### A "BOOTLEG ORDINANCE."

At the meeting of the town council this week the town attorney, G. W. Silverthorn, was instructed to prepare an ordinance and present the same to the council for passage, providing penalties for violations of the local option law; also to embody in the same ordinance certain regulations in reference to gambling which the present ordinances do not cover.

#### WILL RETURN TO MISSOURI.

A. T. Harris is advertising an auction sale in the Republican, to occur on Saturday, March 9th. Mr. Harris announces that he will leave for Missouri as soon as he disposes of his property and gets his business matters straightened out. He likes the Champ Clark state, with all its shortcomings, and intends to remain there until he again gets the call of the desert.

#### HERE AFTER EVIDENCE.

Thompson, a deputy sheriff of Pinal county, was in Mesa this week looking up evidence against some alleged brand artists who are accused of changing the brands on certain stock to which they have no legal title. #### AFTER MANY YEARS.

A few days since Mrs. J. L. Anderson answered the ring of her phone and heard a voice ask: "Is this Mrs. Nellie Anderson?" to which she gave an affirmative reply. Again came the query: "Nellie Anderson who formerly lived in North Dakota?" On being assured that she was the same person, the voice said: "Well, I'm James Grady, and I'm coming out to see you." And sure enough, it proved to be a special friend of Dr. and Mrs. Anderson, who had been a neighbor when they all resided in the Dakotas, twenty-four years ago. Mr. Grady had a pleasant visit at the ranch, and then continued his journey. The friends had not met before since Mr. and Mrs. Anderson moved to Arizona a score and four years since.
